President's Message...

Welcome to our first electronic edition of the Utah State WBA Yearbook. I would like to thank our publicity committee for their hard work and research in putting together a great book. We hope you enjoy it!

This past year has been busy. We have a Facebook page, our own website and an email address.

Facebook: www.facebook.com/UtahStateUsbcWba

Website: utahstatewba@utahstatewba.com

Email address: www.utahstatewba.com

We had a change in the Association Manager position. Thank you Teresa Maughan and welcome Marnye Madrid.

We are putting procedures in place so we are more compliant with USBC's Performance Standards. We are moving to the future of the sport. We are working to be proactive not reactive. We are working towards excellence. Protocols evolve and change with time and we are evolving not devolving.

President Lincoln made the comment "We work together not always in harmony, but always in unity..."

We as a collective board are working together with you and the sport's best interest in mind. Please feel free to contact us at any time with any suggestions you may have. I'm excited for our annual tournament to begin and want to thank all who will be participating and wish you good bowling!
